Ecology & The Environment Series

GRADES: 5-8 READING LEVELS 3-4

Here is everything you need for an exciting study of the natural world. Animal life, plant life, and the environment as a whole are all explored. Students will learn: How do we classify animals? What is the difference between warm-blooded and cold-blooded animals? Next, we look at cells, the building blocks of life. Learn about the structures and functions of animal and plant cells, and single-celled vs. multicellular organisms. Then on to a study of biotic and abiotic ecosystems, including producers, consumers and decomposers – what's the difference between them? All concepts and vocabulary are presented in a way that makes it accessible to students and easier to understand. Comprised of reading passages, comprehension questions, hands-on activities and overhead transparencies.

Black Beauty

GRADES: 5-6 978-1-55319-332-6
One of the most endearing stories of all time is set in England during the mid-1800's and is told from the perspective of its main character. Black Beauty shares his adventures from his days as a young colt in the pastures of Farmer Grey, through different owners and into his twilight years. Tragedy seems to shape the course of his life as he learns much of the world through the friendships with different horses: the tragic life of Ginger, the brave and noble Captain, and the fun-loving Merrylegs. Give your readers a sense of the remarkable injustices experienced by both horses and people of the day.
