

# Moss bag Song

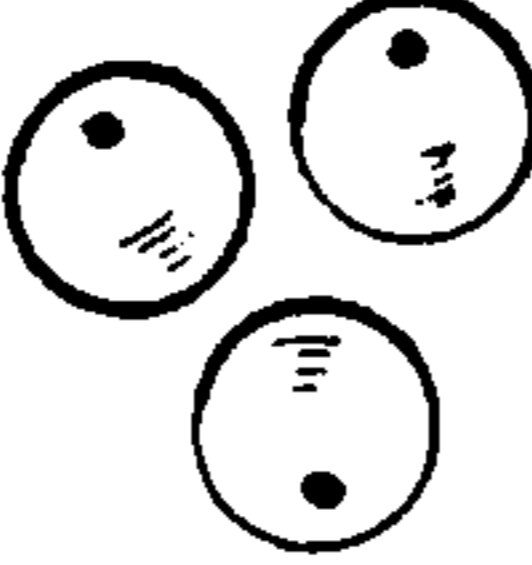

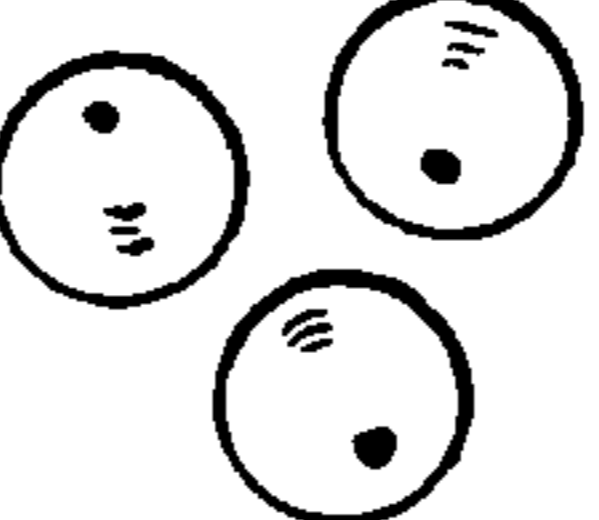

Sewing on beads to make beautiful flowers takes hours and hours. Suppose that Kokum sang a song while she sewed the beads onto the moss bag? Suppose it went something like this? (sing to the tune of Twinkle, Twinkle, Little Star )

Orange beads, blue beads, yellow and red.  
Sew them on with a needle and thread.  
Sew on the beads, one by one.  
I'll sew until the job is done.  
Orange beads, blue beads, yellow and red.  
Sew them on with a needle and thread.

*A rebus version is provided on the following page.  
Students can add it to their rebus chant collection.*
